

Synergistic Considerations

This is an exceptional product providing a complement to numerous remedies, especially the Energetix **“Chord”** products.

Drainage-Tone

Drainage-Tone is a homeopathic combination formula for a broad range of symptoms related to congestion of the body’s drainage pathways. In a healthy state, the drainage pathways are open and operative allowing waste products, both endogenous and exogenous, to be excreted. Drainage pathways are present in every system, organ, and cell in the body.

For symptoms such as swollen glands, sinus congestion, head congestion, mucous secretions and skin eruptions.

Ingredients and Symptomatology

Calcarea iodate 12X, 30X (Calcium Iodide)

Enlarged tonsils; swollen, hard glands; profuse, yellow secretions; flatulence; dull headache; long-standing cough.^{1(p420-1)}

Capsicum annuum 6X (Cayenne Pepper)

Burning pains; sore throat; swelling and pain behind the ear; dry, hacking cough; mucous diarrhea.^{1(p456-9)}

Coenzyme A 8X

Appetite increased or decreased, disrupted sleep, anxiety, irritability, craving for sweets and chocolate, nasal congestion, abdominal distention.^{3(p69-70)}

Coenzyme A is the most active metabolic enzyme in the human body. It operates in the body’s cells and blood where it initiates hundreds of important processes. Coenzyme A is expended by the metabolic processes and constantly needs replenishing.

Echinacea 4X (Echinacea)

Sinus congestion, swollen glands, aching in limbs, distended abdomen.^{1(p731-4)}

Equisetum arvense 6X (Horsetail)

Burning, painful urination; low grade fever; bloody or cloudy urine; discomfort in pelvic area.^{2(p182)}

Hydrastis canadensis 4X (Goldenseal)

Mucous congestion: head, eyes, ears; constipation; pains in limbs and joints; skin rashes; burning, itching skin; stomach pain.^{1(p936-40)}

Nadidum 8X (NAD – Coenzyme 1)

Low energy.^{2(p335)}

CoEnzyme 1, also called NAD, mediates cellular energy metabolism and mitochondrial functions. NAD participates in many redox reactions in cells, including those in glycolysis and most reactions in the citric acid cycle of cellular respiration.

Nitricum acidum 12X (Nitric Acid)

Urine: scant, dark and strong smelling; swollen tonsils; skin warts; swollen glands in the breasts; chest congestion; swelling of glands behind and beneath ears; nasal discharge; pulsating headache.^{1(p1389-94)}

Oleum morrhuae 5X (Cod Liver Oil)

Overall soreness, soreness and heaviness in the lower right abdomen (liver area).^{1(p1426-7)}

Petroselinum sativum 4X (Parsley)

Hemorrhoids with itching; painful, frequent urination; cloudy discharge; burning pains in urethra.^{1(p1493-4)}

Phytolacca decandra 4X (Poke Root)

Swollen glands under the arms (axillary glands), swollen glands in the breasts, swollen glands beneath lower jaw (parotid glands), scar tissue becomes painful.^{1(p1517-19)}

Scrophularia nodosa 4X, 6X, 12X

(Knotted Figwort)

Swollen glands in neck, painful hemorrhoids, itching skin, swollen glands in breasts.^{4(p577)}

The origin of the name “Scrophularia nodosa” is from the use of the roots of this plant in the treatment of scrofula. Scrofula is an infection of the lymph nodes in the neck.

Drainage-Tone

Ingredients and Symptomatology continued...

Silicea 12X (*Silicea Terra*)

Pustule skin eruption, joint pain, weakness, exhaustion, swollen tonsils, swollen glands beneath lower jaw (parotid glands), constipation, scar tissue becomes painful.^{2(p443-4)}

Sinapis alba 4X (*White Mustard*)

Headaches, watery eyes, difficulty swallowing, increased salivation, increased perspiration, distended abdomen, dark urine, flatulence, hard stools.^{1(p1789-91)}

Thuja occidentalis 4X (*Arbor Vitae*)

Congested head, eyes, ears; weakness; warts; distended abdomen; headaches; shortness of breath; joint pain and stiffness; itching skin; sinus pain; thick, yellow or green nasal discharge.^{5(p1419-37)}
